“Celebrating our Seaport Heritage”

The **Norwalk Seaport Association** is celebrating its 31st year. Through our stewardship of Sheffield Island Lighthouse we strive to increase awareness and appreciation of Long Island Sound and how the preservation of historic buildings and nature contribute to our quality of life.

Oscar says “Be a pearl, become a member today!”

Our interactive **Education Programs** in the Seaport Loft provide the ultimate learning experience. With your membership receive 10% discounts on all Loft activities including summer & vacation programs and the best Birthday Party ever!

The **Oyster Festival** provides funds for the Seaport’s education and environmental programs as well as benefits many local community groups. Please help us continue this Norwalk tradition! Join today and receive 2 Oyster Festival tickets with your individual membership or 4 tickets with your family membership.

“All of us need a place where we can have our history close at hand, where we can see it, touch it, learn from it. Preservation helps that timelessness live in every community in America.” - Anne Rivers Siddons

Preservation & restoration is a continual process. Your membership is the cornerstone of our efforts, with it you not only preserve a piece of American history but you can visit it for FREE!
